

ENJOY THE GIFT OF
UNTOLD
by Matthew West

I'm the news that nobody expected
I was never a part of your plans -
I'm the reason why life as you know it feels like
It's slipping through your trembling hands.

And the doctors say I'm just an option
A mistake you can make disappear -
I may not have a voice, but I'm more than a choice
I'm as real as the heartbeat you hear.

Refrain Don't close the book on me yet
I still got a long way to go
Empty pages to fill and the best part is still
down the road, I am a story UNTOLD

I am God's miracle in the making
Proof that all things can work for the good -
I am fingers and toes and heaven already knows
The name you'll name pick out for me already belongs to me.

Refrain

Every life is sacred, every life is a gift -
Every life deserves the chance to live.

I know you're scared, I know you're scared,
I know you're scared right now -
But when you hear my first cry, when you look in my eyes
You'll understand why, you'll understand why,
Why you brought me to life.
